## PRIVATE MEMBERS' BUSINESS

### Notices

- \*1 **MR WALL:** To move—That this Assembly:
- (1) notes:
- (a) the criminal charges laid against the Construction, Forestry, Maritime, Mining and Energy Union (CFMMEU) and its ACT Divisional Branch Secretary for alleged cartel conduct in the ACT; and
  - (b) the formal affiliation between the CFMMEU and the ACT Labor Party; and

- (2) calls on ACT Labor Members of the Assembly to suspend all affiliations with the CFMMEU. (*Notice given 20 August 2018. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

\*2 **MS ORR:** To move—That this Assembly:

- (1) notes that:
- (a) in the hierarchy of waste, avoidance is the best form of waste minimisation;
  - (b) single use plastic generates a significant amount of waste per year;
  - (c) that the waste generated from single use plastic is slow to degrade and often harmful to the environment;
  - (d) recyclable plastic often ends up in the general waste stream and options for the recycling of single use soft plastics are limited;
  - (e) the ACT banned single use plastic bags on 1 November 2011, and a review in 2014 reported that 65 percent of Canberra grocery shoppers supported the ban;
  - (f) a further review of the ACT’s plastic bag ban was commissioned in January 2018;
  - (g) the Government’s commitment to reducing waste as articulated through the Waste Feasibility Study and its Roadmap; and
  - (h) public support for initiatives such as the single use plastic bag ban, the “Straws Suck” campaign and the container deposit scheme demonstrate a willingness for behavioural change that lead to a reduction in the generation and increase in recycling of single use plastic waste; and
- (2) calls on the ACT Government to:
- (a) update the Assembly on the status of the latest review into the ACT’s plastic bag ban by the last sitting week of 2018; and
  - (b) investigate further opportunities that will reduce the use of single use plastic throughout the ACT, so that less waste is generated. (*Notice given 20 August 2018. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

3 **MISS C. BURCH:** To move—That this Assembly:

- (1) notes that:
- (a) young Canberrans commute to and from places of employment late in the evening and early in the morning, particularly those who are shift-workers and those employed in the hospitality and trades industries;
  - (b) there are few other safe transport options available at these times of day, and a curfew on P-plater drivers may prevent many young Canberrans from working;

- (c) an exemption process would be costly, bureaucratic, and confusing, and would place an unfair burden on responsible P-platers;
  - (d) the ACT Government advocates assigning a designated driver when heading out for an event or a night on the town. P-plater drivers are often relied upon as designated drivers right across Canberra;
  - (e) peer passenger restrictions would prevent P-platers from acting as designated drivers, and would place an unfair burden on many families;
  - (f) the “What We Heard” survey reported that 50 percent of respondents either disagreed or strongly disagreed with restrictions on first year P-platers from driving between midnight and 5 am;
  - (g) accident statistics show that over 66 percent of P-plater deaths on ACT roads took place outside of the proposed curfew hours. In 2016, only 2 percent of all crashes, and 20 percent of fatal crashes occurred between the hours of midnight and 5 am; and
- (2) calls on the Minister for Justice, Consumer Affairs and Road Safety to categorically rule out:
- (a) the implementation of a 12am-5am curfew for P-plater drivers, as this would significantly impact the ability of young Canberrans to participate in employment, and is not supported by accident statistics; and
  - (b) the implementation of passenger restrictions for P-plater drivers.  
*(Notice given 13 August 2018. Notice will be removed from the Notice Paper unless called on within 3 sitting weeks – standing order 125A).*

\*4 **MS LEE:** To move—That this Assembly:

- (1) notes that:
- (a) suburban shops play an essential role in local Canberra communities offering a wide range of food, beverages, dining options and community health services;
  - (b) local shop owners are small business operators who work long hours to ensure quality service, flexibility of opening hours and choice for local residents;
  - (c) a large number of shopping areas are poorly lit, run down, the target of graffiti vandals and lacking basic and regular maintenance;
  - (d) many local shops lack appropriate parking spaces and policing of parking infringements; and
  - (e) too few local shops have appropriately maintained and working toilets, sufficient seating and shade areas; and

- (2) calls on the ACT Government to establish and publish a schedule of regular maintenance of local shops and report on the budget allocation for such maintenance by the end of the sitting period in October 2018. (*Notice given 20 August 2018. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

\*5 **MR PETTERSSON:** To move—That this Assembly:

- (1) notes the strong and inclusive budget management of this Government including:
  - (a) a balanced budget with a modest surplus of \$36 million this year and a positive position across the forward estimates;
  - (b) the forward projections for strong and sustained economic growth, off the back of the fastest growth for any State or Territory in recent years;
  - (c) over 10 000 new jobs being created in 2017, with 80 percent of these new jobs being full time;
  - (d) unemployment at 3.6 percent in July 2018 – the lowest of any State or Territory; and
  - (e) a strong focus on diversifying business and continuing tax reform to reduce stamp duty and help first home buyers;
- (2) further notes the strong expenditure growth for growing services for our growing city, including:
  - (a) \$5 billion over four years for education to deliver more schools and more school places, including a new primary school in Molonglo, an upgrade to Campbell Primary and more places for students at Amaroo, Neville Bonner and Gold Creek Schools;
  - (b) \$7.8 billion over four years for health including 4 000 more elective surgeries, progressing the development of Surgical Procedures, Interventional Radiology and Emergency and expanding Hospital in the Home to 3 000 more patients each year;
  - (c) over \$150 million each year on public transport to help deliver Canberrans to work on time and take more cars off the road;
  - (d) duplication of William Slim Drive from Ginninderra Drive to the Barton Highway and planning and design on the extension of John Gorton Drive and a bridge across the Molonglo River;
  - (e) delivering the Family Safety Hub, and investing \$6.5 million for more places for women seeking safe and secure refuge as well as \$1.7 million for the Canberra Rape Crisis Centre and Domestic Violence Crisis Service to ensure women in crisis get the help they need, when they need it; and

- (f) improved connectivity and active travel routes, with \$10.5 million for the Belconnen Bikeway and \$4 million to improve paths around the Tuggeranong Town Centre; and
- (3) calls on this Assembly to support the progressive and principled policies in this year's budget. (*Notice given 20 August 2018. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

\*6 **MR COE:** To move—That this Assembly:

- (1) notes:
  - (a) the Minister for Police and Emergency Services politicised the public service by using it to craft political spin to downplay negative ambulance data and his mismanagement of ambulance resourcing;
  - (b) the Minister delayed answering question on notice No 662 for 100 days; and
  - (c) the data revealed that 41.5 percent of all emergency ambulance shifts were crewed below the minimum crewing level in 2016-17; and
- (2) calls on the Minister to:
  - (a) apologise for using the public service for political spin purposes;
  - (b) reassure the community that these shifts did not occur during known periods of high demand; and
  - (c) present to the Assembly by the September 2018 sittings the data which shows on what date and shift type these shifts fell below the minimum crewing level. (*Notice given 20 August 2018. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).
