PRIVATE MEMBERS’ BUSINESS

Notice

1 MS LAWDER: To move—that this Assembly:
   (1) notes that:
      (a) in the past (up to about 12 months ago), a contracted psychologist visited the ACT to work with deaf and deafblind ACT residents;
      (b) members of the deaf and deafblind community attended this clinic primarily because the psychologist is fluent in Auslan and understands deaf and deafblind people and their mental health issues;
      (c) the doctor had a significant client base here in Canberra and was greatly appreciated by all;
      (d) due to some disagreement with ACT Health, the doctor no longer sees deaf and deafblind patients in Canberra and many of her patients cannot travel to Wollongong to attend her practice there;
      (e) for over 12 months now the deaf and deafblind community have not had access to face to face, one on one mental health services;
      (f) the lack of Auslan interpreters in the ACT, especially available at short notice for a crisis mental health incident, exacerbates the problem; and
      (g) the general mental health of our deaf and deafblind community arguably in the ACT is at the moment at an all-time low and requires urgent investment; and
   (2) calls on the ACT Government to:
      (a) immediately provide appropriate mental health services for deaf and deafblind ACT residents, preferably through re-instating the previous contracted psychologist with Auslan skills;
      (b) examine how deaf and deafblind people in the ACT are provided with health and mental health services, and how their needs can and will be better addressed in the future; and
(c) investigate other ways to support our deaf and deafblind community in the ACT with their mental health and wellbeing. (Notice given 19 August 2019. Notice will be removed from the Notice Paper unless called on within 3 sitting weeks – standing order 125A).
