Notices

- 1 **MS LAWDER:** To move—That this Assembly:
 - (1) notes that:
 - (a) in the past (up to about 12 months ago), a contracted psychologist visited the ACT to work with deaf and deafblind ACT residents;
 - (b) members of the deaf and deafblind community attended this clinic primarily because the psychologist is fluent in Auslan and understands deaf and deafblind people and their mental health issues;
 - (c) the doctor had a significant client base here in Canberra and was greatly appreciated by all;

* Notifications to which an asterisk (*) is prefixed appear for the first time

- (d) due to some disagreement with ACT Health, the doctor no longer sees deaf and deafblind patients in Canberra and many of her patients cannot travel to Wollongong to attend her practice there;
 - (e) for over 12 months now the deaf and deafblind community have not had access to face to face, one on one mental health services;
 - (f) the lack of Auslan interpreters in the ACT, especially available at short notice for a crisis mental health incident, exacerbates the problem; and
 - (g) the general mental health of our deaf and deafblind community arguably in the ACT is at the moment at an all-time low and requires urgent investment; and
- (2) calls on the ACT Government to:
- (a) immediately provide appropriate mental health services for deaf and deafblind ACT residents, preferably through re-instating the previous contracted psychologist with Auslan skills;
 - (b) examine how deaf and deafblind people in the ACT are provided with health and mental health services, and how their needs can and will be better addressed in the future; and
 - (c) investigate other ways to support our deaf and deafblind community in the ACT with their mental health and wellbeing. *(Notice given 19 August 2019. Notice will be removed from the Notice Paper unless called on within 2 sitting weeks – standing order 125A).*

2 MRS JONES: To move—That this Assembly:

- (1) notes that the ACT Government has failed to provide appropriate accommodation and facilities for women detained at the Alexander Maconochie Centre (AMC);
- (2) further notes:
 - (a) on 29 April 2019, a female detainee escaped her compound to meet up with a male detainee in a restricted area of the prison outside of CCTV view;
 - (b) reports that at least one detainee has seen her rapist in a nearby cellblock; and
 - (c) that female detainees are frequently subjected to cat-calling, goading and whistling from the surrounding male cellblocks; and
- (3) calls on the ACT Government to appropriately house women in the AMC to resolve such issues. *(Notice given 23 September 2019. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A).*

3 MR GUPTA: To move—That this Assembly:

- (1) notes that the ACT Climate Change Strategy 2019-25:

- (a) is implementing measures that support all Canberra households in the ACT and is improving the liveability of our entire city in response to global climate change;
 - (b) outlines how achieving 100 percent renewable electricity, a 40 percent reduction in emissions by 2020, and zero net emission by 2045 will assist households to save on energy costs;
 - (c) clearly outlines why it is in the long term interests of all ACT residents to have a comprehensive strategy in place to combat and adapt to climate change, and that why simply ignoring the climate change danger is no longer tenable;
 - (d) works in conjunction with the ACT Government's new Living Infrastructure Plan to increase the comfort and enviable lifestyle in our suburbs by keeping our streets, parks and houses cool, healthy and liveable, with measures to ensure adequate tree cover and assess local needs for managing heat;
 - (e) is implementing new approaches to increasing productivity of key transport corridors;
 - (f) helps suburban residents to access the rapid bus and light rail networks through feeder services and expanding the Park and Ride network;
 - (g) outlines measures to assist the transition to zero emissions vehicles to support those needing cars to commute or travel, by exploring and trialling financial incentives to support the uptake of zero emissions vehicles from 2021;
 - (h) introduces mandatory disclosure of energy performance for all rental properties and moves towards minimum energy performance requirements to come into force from 2022-23, which supports individuals and families to make a considered choice when choosing a rental property;
 - (i) expands the Energy Efficiency Improvement Scheme to increase support and lower day-to-day energy costs for low income households;
 - (j) actively supports vulnerable and low-income individuals and households' participation in shifting to zero net emissions; and
 - (k) will provide food and garden waste collection for all households, including multi-unit dwellings from 2023; and
- (2) calls on the ACT Government to initiate a comprehensive awareness program and actively promote the measures outlined in the ACT Climate Strategy 2019-25 that support Canberra households to take full advantage of its cost saving and energy efficiency measures. *(Notice given 23 September 2019; amended 23 September 2019. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A).*

- 4 **MR COE:** To move—That this Assembly notes:
- (1) ACT Government policies have contributed to huge increases in the cost of living in Canberra;
 - (2) significant household costs in the ACT include property taxes, electricity, gas, vehicle registration and parking;
 - (3) ACT Government decisions have led to hardship amongst Canberra’s poorest residents; and
 - (4) calls on the Government to take the pressure off Canberrans by:
 - (a) not increasing the cost of electricity;
 - (b) ensuring gas is available to future households;
 - (c) stopping Labor’s unfair rates and land tax increases; and
 - (d) not penalising Canberrans for using their cars. (*Notice given 23 September 2019. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).
- 5 **MISS C. BURCH:** To move—That this Assembly:
- (1) notes that:
 - (a) the ACT Government has left people across Canberra stranded by refusing to provide them with reliable suburban bus services;
 - (b) Canberrans across the Territory have seen a significant increase in their journey times under Network19, and have returned to using their cars as a result;
 - (c) despite having full knowledge of the list of cancelled weekend services well in advance, the Minister for Transport has refused to publish these cancellations in advance;
 - (d) the ACT Government’s Transport Action Plan has no clear resolution date for the issues surrounding weekend service cancellations;
 - (e) despite claims by the Minister for Transport that recent cuts to weekend services will make the network more reliable, Canberrans will be forced to wait around two hours for buses on weekends;
 - (f) data provided to the Minister for Transport has shown that, despite having their dedicated services cut, more school students are not using the public network to get to and from school; and
 - (g) as of today, the ACT Government is yet to deliver the reliable, accessible bus network promised to Canberrans; and
 - (2) calls on the Minister for Transport to fix the problems plaguing Network19 as a matter of priority. (*Notice given 23 September 2019. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).
