To whom it may concern,

I would like to express my concerns regarding this ongoing issue around this building.

For those who live very close to the area, it's a hazard and threat to their security. Kids and adults walk every day and night around here. I am scared to walk when it is dark, as many incidents (maybe not reported) have happened on site.

Rubbish, old furniture, painted walls with graffiti that we can see on the site, gives a very bad image of our lovely Giralang Suburb, and encourages other young kids to continue with these bad habits.

When is the time that the interests of the government and the private sector will take into account the interests and needs of the Giralang population?

Yes we need shops that can provide services to us, no just benefit the pockets of the big corporations.

It's enough!!

Giselle Cruzado
