Asked by PETER CAIN MLA

In relation to:

ABS data for January, shows that the number of young people employed in the ACT following the spike in seasonal Christmas employment, is actually lower than it was in March, June, August, September, October, November, and December, last year. What are the specific reasons for the drop in this data for January compared to previous months of March, June, August, September, October, November, and December, last year?

YVETTE BERRY MLA: The answer to the Member's question is as follows:–

I refer the Member to Question on Notice Number 9 by Mrs Kikkert on the same subject matter.
