ANSWER TO QUESTION TAKEN ON NOTICE DURING PUBLIC HEARINGS

Asked by MS CLAY on 23 August 2022: MR DANIEL IGLESIAS took on notice the following question(s):

Ref: Hansard Transcript – 23 August 2022 PAGE 173

MS CLAY: Thank you, Mr Iglesias; that was really helpful. I know that Weetangera is not on that list of upgrades in the next 12 months, just as Aranda is not. I also know there were some conversations with the community about how to use existing facilities better. There were some good discussions about cricket and rugby sharing those facilities. Has that progressed to the point where we have both sporting groups now able to share the facilities at Weetangera?

Mr Iglesias: I am not sure. I will take that one on notice, Ms Clay. I do know about the discussion you are referring to, but I am unaware of where we have got to with that. We can get that for you quite quickly.

YVETTE BERRY MLA: The answer to the Member's question is as follows: –

Transport Canberra and City Services (TCCS) are currently in negotiation with Cricket ACT about the option of fully enclosing the Cricket nets to make it possible for the nets to be used whilst other sports are using the broader oval facilities at the same time. Pending a positive outcome to discussions, anticipated in the coming weeks, the cricket nets will be added as a separately bookable resource to the broader Weetangera Oval. Works to enclose the nets will then be prioritised to be completed as soon as practicable.
