

Office of Andrew Braddock MLA
ACT Greens Member for Yerrabi

Mr Peter Cain
Chair Scrutiny Committee
Legislative Assembly Standing Committee justice and Community Safety

Peter
Dear ~~Mr~~ Cain,

I write in response to the Committee's Report Number 12 seeking the Member to respond regarding the Electoral Amendment Bill 2021.

I would like to thank the Scrutiny Committee for its careful consideration of the bill and for its comments concerning possible trespass on personal rights and liberties under section 38 of the Human Rights Act 2004 (HRA). I apologise that the response has been outstanding for an extended period of time and wish to rectify that with this letter.

The Committee's comments were of great use and directly informed amendments made to the bill and its explanatory statement which have been provided to the Committee. These were considered in Report Number 32 where the Committee noted no further response was required from the Member.

I trust this information has been of some use to you and am happy to provide any further information should it be required.
