Addressed to: Minister for City Services

Reference: City Services foreshore improvements

Hearing Date: 24/07/2024

In relation to: TCCS and Lake Tuggeranong foreshore improvements

QON lodgement Date: 26/07/2024

Answer Due date: 05/08/2024

- 1) How much has been expended on the Lake Tuggeranong foreshore improvements?
- 2) Is this over or under budget?
- 3) Why aren't more rubbish bins included in the foreshore upgrade? given this was a common theme in the Your Say survey?

**Minister Tara Cheyne MLA: The answer to the Member's question is as follows:**

- 1) The cost of design and construction is \$4.485 million.
- 2) The project came in under budget.
- 3) Additional rubbish bins were considered in the design stage of the project. However, due to operational issues including site constraints affecting safe access for operational teams, a decision was made not to include more bins than what is currently provided by the upgrade works.
