The first meeting of the Strategic Advisory Group for the next Climate Change Strategy is scheduled for Friday 9 May. The group comprises executives from across ACT Government. EPSDD will engage with the advisory group on the development of the Strategy, timeframes, and the proposed consultation approach. This Strategic Advisory Group meeting is in addition to officials-level meetings currently being held across government, and will ensure executive oversight of the development of the Strategy as it progresses over 2025-26.
