MR WERNER-GIBBINGS: Yes. Well no, I saw the enrolled numbers, but I was wondering are there – like, someone might apply for a course and not get a position for various reasons, or not have the opportunity of undertaking it, or be enrolled. So there would be a difference perhaps between applicants for a course and enrolled numbers for a course. Do they tend to correlate?

DR MARISA PATERSON MLA: The answer to the Member's question is as follows:

Outside the enrolment and course completion information contained in the Annual Report, data on the total number of applications made by detainees to participate in an education course is not readily available.
