MS CARRICK: Thank you. Is your area on the Woden Town Centre cross-directorate working with you?

Ms Cox: I think we are, but I will take the details on notice or get back to you with an answer by the end of the hearing.

Ms Cheyne: I should have anticipated this. You have asked everyone.

MS CARRICK: I have asked everyone, yes. I mean, it is just—I do not even know who the lead of it is, so maybe you could take it on notice and ask—and then I could ask whoever is the lead of the cross-directorate working group who—

Ms Cox: I think I can get you answer about whether or not we are on it but I could detail of who leads that group on notice.

MS CARRICK: Yes, that would be great because then I can write to them and ask who is on it, and then I do not have to ask everyone.

Ms Cheyne: No problem.

Tara Cheyne MLA: The answer to the Member's question is as follows:

The Woden Town Centre cross-directorate working group brings together representatives from across ACT Government directorates and agencies. It operates under the chair of the Southern Gateway Taskforce and is supported by Planning and Urban Policy within the City and Environment Directorate. The Better Regulation team is not currently a member.
