Incident Details

Incident Type	Reg 175-Any circumstance arising at the service that poses a risk to the health, safety or wellbeing of a child or children attending the service
Please supply the following information: -Detailed description of the incident including nature of risk, cause etc -Detailed description of impact on the operation of the service -Involvement of emergency services or other authorities (if relevant) -Action taken by Approved Provider to manage the risk -Any other relevant information	A child with a potential strawberry allergy was given a piece of toast with a small amount of strawberry jam at morning tea. They had one bite before an educator realized the toast had jam, parents were contacted and were not concerned. The child was monitored closely for any signs of a reaction. As of 3pm there have been no signs of an allergic response. To prevent this issue in the future the rooms will apply their own spreads to toast or similar moving forward and all educators will be given time next week to complete online allergy awareness training through https://etraining.allergy.org.au/
