Dear Eloise

I have put the reimbursement to Penny's account into the Bendigo Bank now and hopefully you can see it and approve it.

If you cant see it let me know and I will go to the bank tomorrow to it sort out.

Kind regards Di **Personal Information**

Hello

The reimbursement for 7 vouchers (6 for participants and one for past and future supplies for this event and next Committee meeting given to PAPA President) comes to \$391.65.

I will absorb the cost of the other two vouchers purchased and use these separately.

Kind regards

Penny Canning-Menon

Dear Eloise

I will shortly send all the Committee the report of the Focus Group on Friday which went very well indeed. We offered participants \$50 vouchers to attend and we had eight attendees. Our Secretary/Treasurer purchased these vouchers and they were given out on the day. There were a couple left over which will be used for PAPA supplies. Penny will let me know what we owe her and we need to reimburse Penny quickly for these as she has paid for them all. We have the funds in the account and as they are for the project they are in effect authorised. But when this amount goes into the bank account you and I will need to sign off on the approval. I will be in touch with you when the request goes into the account and we will note this expenditure at the next Committee meeting.

Kind regards Di (**Personal Information**)

Hi Di,

Thank you for the invitation and for the valuable work PAPA is doing. After reviewing the focus group scope, we feel this topic falls outside our area of expertise, so will not attend.

I am encouraged to see the meeting will be held at COTA ACT, their involvement will be invaluable.

Wishing you every success with the focus group.

Thank you

Devin

Dear ACTCOSS

Pets and Positive Ageing Inc (PAPA) has a grant under the Companion Animal Care Grants Program to address the critical gap left by a discontinued ACT in-home pet support service, and to design a practical, accessible volunteer-driven program tailored to older pet owners' needs. The service will help keep pets healthy and in loving homes, reducing re-homing, surrender, or euthanasia, and improving animal welfare.

PAPA has some relevant data but will also hold a small local focus group meeting to look at what an ACT program needs to cover on Friday 7 February 2025 (9.30-11am) at COTA ACT. Refreshments will be provided and participants receive a \$50 voucher for attending.

We hoped that you might send a representative to attend the focus group and to bring a perspective from ACTCOSS.

If this is possible could you please let us know on info@petsandpositiveageing.com by COB 23 January 2025.

Kind regards

Di Johnstone AM
