CANBERRA ACT 2601

Dear Mr Smyth

RE: Inquiry into elements impacting on the future of the ACT Clubs Sector

On behalf of the Vikings Fishing Club Inc, I wish to comment on the Inquiry mentioned above.

The Vikings Group has been a great supporter of our organisation for 31 years and each year we receive over \$15,000 in sponsorship.

Because of our Clubs support, we are able to keep a membership base of 250 adults and juniors. We are able to support there recreational fishing subsidized from the fishing club so a large variety of our members can afford there fishing weekend with there kids.

Without this partnership with the Club, our organisation would simply not be able to operate or provide the services we can to the Community. We cannot envisage any other organisation or government agency being able to fill the void if our Club was not there to support us.

The assistance of the Club industry in the ACT is reflected through our partnership with the Vikings Group and is something that can only be maintained by the Club if they are able to remain a viable community asset.

We trust that your Committee will see the invaluable role the Clubs play in our community.

Yours sincerely
