 No

4. **Please list, in order of priority, your three key priority areas regarding the ACT Budget 2015-2016 (you can expand on these in Question 5):**
 - a. Exemplar urban development projects

 - b. Car share

 - c. Improved community collaboration processes.

5. Please detail your views on the ACT Budget in relation to your three priority areas?

To ensure the ACT economy and community continues to progress and thrive into the future, we consider the priority areas noted in the previous section need to be strengthened. From what we can see there was no specific funding allocated to these priority areas in this budget.

With regard to the exemplar urban development projects, this relates to the 'Missing Middle' range of multi-unit or clustered housing types compatible in scale with single-family homes that help meet the growing demand for walkable urban living. These types provide diverse housing options along a spectrum of affordability, including duplexes, fourplexes, and bungalow courts, to support walkable communities, locally-serving retail, and public transportation options.

6. Are there any other particular issues with the ACT Budget that you would like to bring to the Committee's attention?
