Dear members

I urge you to consider this huge bill "End of life choices." I am a member of EXIT and have a very clear message on the documents I submitted to the Canberra Hospital. I have seen far too many family and friends suffer from being just kept alive in a painful and disgraceful manner instead of having their choice of a peaceful painful death. I urge you to consider that we respect people who clearly have stated and signed documents that this can be carried out. Please please please.

Sincerely

Sally Curlewis
