Statement of registerable interests

Particulars of my private interests and those of my immediate family of which I am aware are set out below.

In accordance with continuing resolution 6, I undertake to provide any alteration to these declarations within 60 days of that alteration occurring.

Name: _____ Elizabeth Lee MLA

Date: _____ 12 January 2021

It is suggested that the *Explanatory Notes* accompanying each section be read before completing.

Explanatory note

The purpose of the Statement of Registrable Interests form is to place on the public record Members' interests which may conflict, or may be seen to conflict, with their public duty.

No form can cover all possible circumstances and Members should consequently bear in mind the purpose and spirit of the return in deciding which matters should be registered.

There is the need to include under all headings interests to the extent to which the Member is aware of them, of the Member's spouse (including de facto spouse), and any who are wholly or mainly dependent on the Member for support.

When interests are held jointly with a spouse or dependants, the interests need to be included only as interests of the Member with an appropriate notation such as "jointly owned with spouse".

Where interests could be included under more than one heading, it is suggested they need be included only under the most specific heading unless two aspects need to be disclosed (e.g. real estate, plus a mortgage liability on that real estate).

Note: MLAs may have other reporting requirements through the *Electoral Act 1992*. This is separate from the OLA declaration.
