ANSWER TO QUESTION TAKEN ON NOTICE
5 April 2023

Asked by Mr Davis on 5 April 2023: Mr Fisher took on notice the following question:

MR DAVIS: That is interesting when we compare it to the evidence we just heard from the CPSU. So you are describing this casualisation of workers in the legal fraternity. Do you believe that casualisation is rising or plateauing? And then secondary to that, is that driven by employees seeking flexibility or driven by employers?

Mr Fisher: I actually do not have data on that. I can take it on notice.
