23 FERAL HORSES—IMPACTS AND MANAGEMENT IN THE AUSTRALIAN ALPS:

Resumption of debate *(from 7 June 2023—Mr Gentleman)* on the motion of Ms Vassarotti—That this Assembly:

(1) notes that:

- (a) the impacts of feral horses on the environment and biodiversity is in most cases catastrophic and leads to a loss of vegetation, the trampling of soils, the spreading of weeds, the erosion of stream banks and damage to threatened species, their habitat, and aquatic environments;
- there are significant populations of feral horses over the border in NSW that pose a significant threat to the ACT should incursions occur;
- (c) in February 2023, the Senate referred the impacts and management of feral horses in the Australian Alps for inquiry;
- (d) the ACT Government made a submission to the Senate inquiry that describes the critical need to protect the ACT's highly sensitive water supply and conservation areas from the feral horses; and
- (e) the ACT Government continues to deliver monitoring and control programs to protect the ACT from feral horses and as a result there are no established populations of feral horses in the ACT; and

(2) supports:

- (a) the ACT Government's ongoing zero-tolerance policy on feral horses in Namadgi National Park, outlined in the Namadgi National Park Feral Horse Management Plan 2020, which includes integrated best practices such as trapping, mustering, removal and aerial control management;
- (b) ongoing detection and control action by the ACT Government to protect Namadgi National Park and other reserves from feral horses;
- (c) the ACT Government position that there remains a misalignment of policy between the ACT Government and the NSW Government about the management of feral horses in the Australian Alps as described in the NSW 2021 Kosciuszko National Park Wild Horse Heritage Management Plan;
- (d) the ACT Government position that these sensitivities must be addressed and that the ACT and NSW must continue to work towards achieving a coordinated and cohesive approach to feral horse management between the two regions; and
- (e) that the Australian Government has significant powers and responsibilities to protect matters of national environment significance under the *Environment Protection and Biodiversity Conservation Act 1999* and has an important leadership role to ensure that state and territory initiatives to control feral horses are consistent with this Act.

PRIVATE MEMBERS' BUSINESS

Notices

- 1 **MS CLAY**: To move—That this Assembly:
 - (1) notes:
 - (a) in 2011, the ACT Government commissioner a report titled Belconnen to City Transitway Stage 1 and City Bus Services and Facilities Improvement Forward Design, and some but not all of the upgrades recommended in this study have since been delivered;
 - (b) Infrastructure Australia identified the Belconnen to City bus corridor as an Infrastructure Australia priority project in February 2016, with a probable timeframe of five to 10 years;

- (c) between 2011 and 2021, the population of the Belconnen Town Centre has grown from 4,437 to 8,502 and the Belconnen district from 92,444, to 106,061;
- (d) the population of the Belconnen district is continuing to grow rapidly, with particular areas of growth including Belconnen Town Centre, Bruce and Lawson;
- (e) buses which utilise the Belconnen to City bus corridor include the two busiest bus routes (R2 and R4) and the fifth busiest bus route (R3) and these routes, while servicing other parts of the city in addition to this corridor, represent 24.3 percent of all public transport boardings in the ACT in Quarter 3 2022 and 30.5 percent of bus boardings in this period;
- (f) the ACT Government has made a \$1 billion commitment to delivering a new Northside Hospital campus in Bruce which will connect onto the Haydon Drive section of the Belconnen to City bus corridor;
- (g) the University of Canberra Master Plan which includes expansion of the campus to provide many more residences and buildings and is designed to incorporate a future light rail connection; and
- (h) Light Rail Stage 3 is planned to connect Belconnen to the City. The route will likely service the University of Canberra and the new Northside Hospital, replacing buses on this corridor and necessitating enabling works for future Belconnen to City light rail connections; and
- (2) calls on the ACT Government to:
 - (a) commit to investigate and deliver upgrades to the Belconnen to City bus corridor within three years, in a phased approach which will eventually deliver bus priority for the entire Belconnen to City corridor and enable the future delivery of Light Rail Stage 3;
 - (b) commence early planning work for Light Rail Stage 3 alignment; and
 - (c) report back to the Assembly on progress on these measures by the last sitting day of the 10th Assembly in 2024. (*Notice given 11 September 2023. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks standing order 125A*).
- 2 **MS LEE**: To move—That this Assembly:
 - (1) notes the following recent comments made by local general practitioners (GPs), practice owners and practice staff in relation to the decision by the ACT Labor-Greens Government to impose the general practitioner (GP) payroll tax:
 - (a) "So, I don't think that there will be any choice for me but to impose a new payroll tax levy on the patients in my practice. The only question is exactly how large a levy we impose and when we put it in place.";

- (b) "...the ACT Government's new tax is a tax on patients. GPs will have no choice but to raise their fees...";
- (c) "The ACT Government's decision to impose additional payroll tax on GPs has left many worrying how they will keep their doors open...";
- (d) "GPs are forced to choose between their conscience and their income in a way no high-minded politician or public servant has to do.";
- (e) "There are 10 practices currently paying it but a majority of practices will be paying it if GP payments are included in the figures that make us liable for payroll tax.";
- (f) "I urge Mr Barr to meet with practice managers and owners, like me, in order for him to understand that his figure of 65% bulk-billing is not achievable for my practice. If mandated to do this, our practice would most likely close down.";
- (g) "I have it on good assurance that many GPs are so distressed by developments that they are looking at leaving the profession, or altering their workloads.";
- (h) "...It will be absolutely devastating for the community if one of their local practices are forced to close, and GPs leave town...";
- (i) "While GPs are strongly committed to ensuring equitable access to healthcare, the introduction of a new tax for General Practices will inevitably limit their ability to provide healthcare services at a reduced cost through bulk billing. This means that some people are unable to see their GP because they cannot be bulk billed.";
- (j) "Thousands of ACT patients will be affected by the new tax. In meeting after meeting, GPs have been telling the ACT Government exactly this."; and
- (k) "The idea from Mr Barr that GPs 'lack motivation' to do anything, let alone bulk bill is absolutely outrageous. The amount of extra labour we do at no cost to the patient or the state and federal government should be commended. Mr Barr's rhetoric is ill-intentioned, ill-judged and continues to damage morale.";
- (2) further notes the following comments by The Royal Australian College of General Practitioners and the Australian Medical Association ACT on 27 August 2023:
 - (a) "It would not be possible for us to bulk bill 65% of patients and stay financially viable, even with the triple bulk incentives, which are only applied to pensioners, children and healthcare card holders. The ACT Government's policy is out of step with other jurisdictions and will not encourage GPs to work in the ACT, it will have quite the opposite effect."; and
 - (b) "I'm calling on the government to come back to the table to consult with GPs and find a real solution before it's too late.";

- (3) further notes the following comments by Dr Walter Abhayaratna in *The Canberra Times* on 11 September 2023:
 - (a) "The Barr Government's decision to impose a new payroll tax on GPs is the latest assault on a primary care sector already on its knees.";
 - (b) "Unfortunately, all the evidence points to GP access problems getting worse in Canberra, right at the time when chronic disease rates are rising with our ageing population.";
 - (c) "Into this setting, the ACT Government has lobbed its payroll tax grenade...";
 - (d) "The ACT Government should be frantically trying to stimulate general practice in the territory, knowing GP-led care is vastly more efficient than caring for patients in hospital, where the cost of care is exponentially greater per occasion of service."; and
 - (e) "Instead, it is bent on a policy that will make the ACT one of the least favourable places in Australia to practice as a GP."; and
- (4) calls on the ACT Labor-Greens Government to listen to these local GPs, practice owners, practice staff and GP groups and exempt general practice from the new interpretation of payroll tax that applies to contractor GPs. (Notice given 11 September 2023. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks standing order 125A).
- 3 **MR PETTERSSON**: To move—That this Assembly:
 - (1) notes:
 - (a) neurodiverse people experience, and interact with, the world in different ways, and that there is no right way of thinking, learning, and behaving;

This Strategy will take a systemic, holistic and intersectional approach to supporting people with disability, including people with intellectual disability, psychosocial disability and neurodiversity;
- (viii) the ACT Government is also developing the ACT Inclusive Education Strategy, an ACT Disability Health Strategy and the ACT Disability Justice Strategy Second Action Plan; and
- (ix) the roles and functions of the Office for Disability and Office for Mental Health and Wellbeing within the ACT Government; and

 - (ii) aligns with NAS, the ACT Disability Strategy, the ACT Inclusive Education Strategy and other relevant policies;

- (b) consider establishing an Office for Neurodiversity in the ACT Government; and
- (c) report back to the Assembly on these matters by June 2024. (*Notice given 11 September 2023. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks standing order 125A*).
