Reference: Hansard uncorrected proof transcript 23 November 2023 p 37

In relation to: Month of commencement of land tax emails

MR CAIN: Commissioner, I am referring to particular emails that are subject titled “Re property”—in particular, I have got several emails here. There is a property reference, there is some other reference, and they are clearly automated Robodebt-type emails that are asking people to answer some questions with respect to a potential land tax liability. I am just talking about that approach. When did that approach begin?

Mr Salisbury: This is a program that commenced around 12 months ago.

THE CHAIR: Can you please take it on notice—exact month, if you do not know?

Mr Salisbury: Certainly. Yes.

Andrew Barr MLA: The answer to the Member’s question is as follows:—

The current land tax compliance program commenced in September 2022.
