To whom it may concern,

I am writing to express my strong objection to the proposed development of Hawker Shops. I do not support the inclusion of basement parking, nor the relocation of the children's playground closer to the road, this poses a serious safety risk.

Our local shops serve the community well as they are. I have been a resident of Hawker for 26 years and love the local shops. There is no need for redevelopment that would compromise the character and safety of the area.

Regards,

Keira Orr
