Question received: 04 July 2025

Answer Due: 14 July 2025

Mr Braddock, Andrew: To ask the Minister for Transport —

1. Please confirm when all bus in active service will have active readers?
2. Are there any buses currently in active service without Myway+ readers that are awaiting on delivery of the 30 new buses announced in the budget (and hence may continue to operate without readers until sometime in 2026)?

Chris Steel MLA: The answer to the Member's question is as follows:

1. Transport Canberra expects that by the end of 2025, all buses in active service will have MyWay+ technology installed.
2. No. None of the buses due for retirement in 2025 are dependent on the most recently announced additional 30 BEB's that have been funded in the 2025/26 budget.
