Ms Brooke McKail, DVCS took on notice the following question(s):

THE CHAIR: One question, do you have any data to indicate that an increase of domestic and family violence—a relationship between the increase of domestic and family violence with online alcohol delivery?

Ms McKail: That is not something that we can reflect in our service data, but we can certainly take on notice if there is, you know—

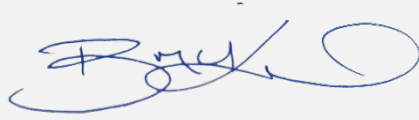

DVCS: The answer to the Member's question is as follows:

We are unable to provide this information from DVCS service level data. We would encourage the committee to review research data that is available, including the Deakin University research into Western Australia alcohol home delivery project
