Explanation of Accountability Indicators

- a. Activity purchased by the ACT LHN is consistent with the criteria in the National Health Reform Agreement (NHRA). National Weighted Activity Unit (NWAU) is the 'currency' that is used to express the price weights for all services that are funded on an activity basis. NWAU {25} is the currency as defined by the Independent Health and Aged Care Pricing Authority (IHACPA) in the National Price Determination 2025-26. This measure reports activity that meets the IHACPA's criteria for inclusion on the 'General List of In-Scope Public Hospital Services'.
