**RE: DRAFT VARIATION TO THE TERRITORY PLAN No.307- GRIFFITH BLOCK 15 SECTION 42
CHANGE OF ZONING BRUMBIES
FOOTBALL CLUB PROPOSAL.**

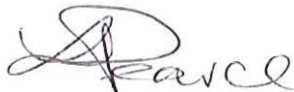

Dear Mary,

I note that a proposal to redevelop the Brumbies football club site has been put forward.

I currently work for a commercial business in this area and fully support urban infill as this will attract more people to the area therefore improving the overall appeal of what is already considered a sort after area.

Thank you for your time,

Sincerely,
