

Speaker's Response to
Select Committee on Estimates 2012-2103 Report—
Response to Recommendation No 141

Shane Rattenbury MLA
Speaker
Legislative Assembly for the Australian Capital Territory

**Recommendation from the Select Committee on
Estimates 2012-2013 report relating to the Legislative
Assembly**

Recommendation 141

The Committee recommends that the Office of the Legislative Assembly institute, as soon as possible, an electronic system by which the general public can lodge petitions with the ACT Legislative Assembly.

Agreed.

OLA recognises the desirability of engaging ACT residents in parliamentary processes. One initiative that has been under development is an online facility for ACT residents to sign up to petitions which have been created on the Assembly's website. The project is well advanced in its testing regime and is expected to be released in September.
