Asked by Ms Jones on 27 June 2014: Mr Hill took on notice the following question(s):

[Ref: Hansard Transcript 27 June 2014 [PAGE 1203]]

In relation to: Output 1.3— Visit Canberra

MRS JONES: And can you explain to us what the entry points that you are looking at for the signage are?

Mr Hill: Can I take that on notice? We are looking at the main entry points. I have not got the specifics on the exact sites that we are looking at but, as you can imagine, it is the main points coming in from Sydney, from Yass and from the southern areas.

MINISTER BARR: The answer to the Member's question is as follows:—

The proposal is for large billboard signage to be placed at main entry points to the ACT. The initial scope of works will look at installing signs at the following locations:

- Federal Highway, near the Majura Road overpass;
- Barton Highway, near the ACT / NSW Border;
- Locations near Canberra Airport;
- Monaro Highway at the ACT / NSW border.

The locations and number of signs will be confirmed relevant to the total cost to deliver the project. The priority locations are the main gateways to the city - the Federal and Barton Highways.

Approved for circulation to the Select Committee on Estimates 2014-2015
