

31 July 2018

Mr Andrew Wall MLA
Chair Select Committee on Estimates 2018-2019

Dear Mr Wall

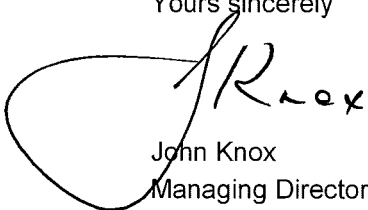

Request for contract information to be provided to the Committee

I refer to the request from the Committee received on 26 June 2018 for complete copies of the services contracts between Icon Water and ActewAGL, and to my reply dated 10 July 2018.

As the Committee acknowledged in its request, Icon Water had already publicly disclosed information relating to the services contracts in December 2017. This included copies of the contracts themselves, except for some details which remain confidential between the contracting parties for legal and commercial reasons. That publication was made in consultation with our partners in the ActewAGL joint venture, AGL and Jemena.

Following the Committee's request, Icon Water considered again the material that is publicly available on the Icon Water website and, in doing so, consulted with the Chair and Deputy Chair of the Icon Water Board. Given our legal and contractual responsibilities, Icon Water is not able to provide complete copies of the contracts in response to your request.

Yours sincerely

John Knox
Managing Director
