MS LEE: And just in terms of you mentioned when there was a follow up there were no scraps going into the waterway. Was that the three that were found to be in breach?

Ms Sargent: Sorry, what was the question?

MS LEE: So you mentioned I think in your original answer that when you did a follow up there were no scraps going into—

Ms Sargent: No that is right. No non-compliance.

MS LEE: Yes and that refers to the three that were in breach?

Ms Sargent: Yes that is correct.

MS LEE: Great, thank you.

MS CHEYNE: I have got a supp as well.

THE CHAIR: Yes, Ms Cheyne.

MS CHEYNE: All of the locations, I know you said you went across a wide range of suburbs, but what were the locations of whether those businesses were found in breach?

Ms Sargent: I would have to take that on notice.
