**Minister for Recycling and Waste Reduction**

(Prepared by Parliamentary Counsel's Office)

## Plastic Reduction Bill 2020

---

### **A Bill for**

An Act to reduce the use of plastic, and for other purposes

---

The Legislative Assembly for the Australian Capital Territory enacts as follows:

## Part 1 Preliminary

### 1 Name of Act

This Act is the *Plastic Reduction Act 2020*.

### 2 Commencement

This Act commences on the day after its notification day.

*Note* The naming and commencement provisions automatically commence on the notification day (see [Legislation Act](#), s 75 (1)).

### 3 Dictionary

The dictionary at the end of this Act is part of this Act.

*Note 1* The dictionary at the end of this Act defines certain terms used in this Act, and includes references (*signpost definitions*) to other terms defined elsewhere in this Act.

For example, the signpost definition '*prohibited plastic product*—see section 8.' means that the term 'prohibited plastic product' is defined in that section.

*Note 2* A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see [Legislation Act](#), s 155 and s 156 (1)).

### 4 Notes

A note included in this Act is explanatory and is not part of this Act.

*Note* See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of notes.

## 5 Offences against Act—application of Criminal Code etc

Other legislation applies in relation to offences against this Act.

*Note 1 Criminal Code*

The [Criminal Code](#), ch 2 applies to all offences against this Act (see Code, pt 2.1).

The chapter sets out the general principles of criminal responsibility (including burdens of proof and general defences), and defines terms used for offences to which the Code applies (eg *conduct*, *intention*, *recklessness* and *strict liability*).

*Note 2 Penalty units*

The [Legislation Act](#), s 133 deals with the meaning of offence penalties that are expressed in penalty units.

## 6 Objects of Act

The objects of this Act are to reduce—

- (a) the use of plastic in the ACT; and
- (b) the impact of plastic on the environment; and
- (c) the impact of plastic on waste management and resource recovery systems.

## Part 2 Important concepts

### 7 Meaning of *single-use*

- (1) For this Act, a *single-use* plastic product is a plastic product that is designed or intended to be used once only.

**Example**

A cafe sells coffee in plastic take-away cups under a cup-return scheme. Under the scheme, a customer buys their coffee in a plastic take-away cup and returns the empty cup to the cafe or any other participating cafe to be washed and re-used by other customers of the cafe. The use and return of the plastic take-away cups is tracked using a mobile phone app. The plastic take-away cups are *not* intended to be used once only.

- (2) Subsection (1) applies even if a single-use plastic product may be subsequently re-used.

**Example—subsequent re-use**

A restaurant selling take-away food places the prepared food in plastic take-away food containers and then in a single-use plastic shopping bag along with plastic cutlery for a customer to take away and eat. The customer washes the empty plastic take-away containers and re-uses them to take their lunch to work. The customer also re-uses the single-use plastic shopping bag as a bin liner and the plastic cutlery as planting labels for seedlings. The subsequent re-use of these items is unrelated to the restaurant's original intended use.

- (3) For subsection (1), *used once* may include multiple purposes within the 1 use.

**Example—multiple purposes**

Fresh herbs are placed in a plastic sleeve by the grower. The plastic sleeve has the following purposes:

- (a) portioning the herbs for sale;
- (b) protecting the herbs during transport to the supermarket;
- (c) extending the shelf-life of the herbs at the supermarket;
- (d) protecting the herbs during purchase and transport to the home of the ultimate consumer.

## 8        **Meaning of *prohibited plastic product***

(1) In this Act:

*prohibited plastic product* means any of the following:

- (a) a single-use expanded polystyrene container;
- (b) a single-use plastic beverage stirrer;
- (c) single-use plastic cutlery;
- (d) a single-use plastic shopping bag;
- (e) any other single-use plastic product prescribed by regulation.

(2) Before a regulation is made for subsection (1) (e) to prescribe a single-use plastic product the Minister must give public notice of the proposed regulation.

(3) The public notice must—

- (a) state the single-use plastic product to be prescribed in the proposed regulation; and
- (b) state the reason for prescribing the product; and
- (c) include information about any proposed exemption to be made under section 16 in relation to the product; and
- (d) state that—
  - (i) anyone may give a written submission to the Minister about the proposed regulation; and
  - (ii) submissions may be given only in the period starting on the day the notice is published and ending 8 weeks later or any later day stated in the notice (the *consultation period*).

- (4) The Minister must consider any written submissions received in the consultation period.

- (5) In this section:

***barrier bag*** means a bag used to carry unpackaged perishable food including fruit, vegetables, meat and fish.

***compostable***, in relation to a plastic bag, means a bag that is designated—

- (a) compostable in accordance with Australian Standard AS 4736-2006 (Biodegradable plastics suitable for composting and other microbial treatment) as in force from time to time; or
- (b) home compostable in accordance with Australian Standard AS 5810-2010 (Biodegradable plastics—Biodegradable plastics suitable for home composting) as in force from time to time.

*Note* AS 4736-2006 and AS 5810-2010 may be purchased at [www.standards.org.au](http://www.standards.org.au).

***single-use expanded polystyrene container*** means—

- (a) a container used for serving food or a beverage and includes a clam-shell container, cup, plate or bowl; but
- (b) does not include a container that is an integral part of the packaging in which food or beverages are sealed before retail supply.

**Example—container that is an integral part of packaging**

- 1 a pack of 5 sealed expanded polystyrene cups containing dry noodles with flavouring
- 2 an expanded polystyrene tray for uncooked meat sealed with cling film

*single-use plastic shopping bag—*

- (a) means—
  - (i) a bag that is made (in whole or in part) of polyethylene with a thickness of less than 35 microns; or
  - (ii) a bag prescribed by regulation to be a single-use plastic shopping bag; but
- (b) does not include—
  - (i) a compostable plastic bag; or
  - (ii) a plastic bag that is an integral part of the packaging in which goods are sealed before sale; or
  - (iii) a barrier bag; or
  - (iv) a bag prescribed by regulation not to be a single-use plastic shopping bag.

*Note*        If the notice is given to a person who may apply to the ACAT for review of the decision, the notice must be a reviewable decision notice (see s 38).

- (3) For subsection (2), the authorised person may only state a way of disposal that—
- (a) does not unreasonably financially disadvantage the person; and
  - (b) is consistent with the objects of this Act.

**Example—par (b)**

A direction to take the prohibited plastic product to a waste management and resource recovery centre for appropriate disposal.

- (4) The notice must contain a statement to the effect that if the prohibited plastic product is not disposed of in accordance with the notice—
- (a) an authorised person may authorise a stated person to remove and dispose of the prohibited plastic product; and
  - (b) the reasonable cost of the removal and disposal is a debt due to the Territory by the person who is required to comply with the notice.

*Note* An amount owing under a law may be recovered as a debt in a court of competent jurisdiction or the ACAT (see [Legislation Act](#), s 177).

- (5) A person commits an offence if the person—

- (3) However, the authorised person or a stated person must not remove and dispose of the prohibited plastic product—
  - (a) until the end of the period (or any extended period) within which an application may be made to the ACAT for review of the decision to which the notice relates; or
  - (b) if an application is made to the ACAT for a review of the decision—unless the decision is upheld or the application is withdrawn.

### **13 Liability for cost of disposal of prohibited plastic products**

A person who fails to comply with a requirement in a notice under section 11 must pay to the Territory the reasonable cost of any removal or disposal carried out under section 12.

*Note* An amount owing under a law may be recovered as a debt in a court of competent jurisdiction or the ACAT (see [Legislation Act](#), s 177).

## Part 4                      Supplying other single-use plastic products—declared public events

### 14                      Declaration of public events

- (1) The Minister may declare that—
- (a) a public event is an event to which this part applies (a *declared public event*); and
  - (b) a single-use plastic product other than a prohibited plastic product (a *declared single-use plastic product*) must not be supplied at the event.

*Note*            Part 3 deals with the supply of prohibited plastic products.

- (2) The Minister may only make a declaration under subsection (1) in relation to a public event that is not a government event if—
- (a) the declaration is made not less than 3 months before the day the event starts; and

- (a) a person;

*Note* Power to make a statutory instrument includes power to make different provision in relation to different matters or different classes of matters, and to make an instrument that applies differently by reference to stated exceptions or factors (see [Legislation Act](#), s 48).

- (2) An application must include the information prescribed by regulation.
- (3) The Minister may make an exemption in relation to a provision only if satisfied that—

  - (i) it is not practicable for the person to comply with the provision; or
  - (ii) it is not consistent with the person's human rights for the person to comply with the provision; and
- (b) noncompliance with the provision will not have any significant adverse effect on public health, property or the environment.

- (4) An exemption is a disallowable instrument.

*Note* A disallowable instrument must be notified, and presented to the Legislative Assembly, under the [Legislation Act](#).

- (5) An exemption may commence on a day earlier than its notification day.

**17 Exemption conditions**

- (1) The Minister may make an exemption under section 16 on condition.

  - (c) stating the time and date when consent was given.
- (4) If the occupier signs an acknowledgment of consent, the authorised person must immediately give a copy to the occupier.
- (5) A court must find that the occupier did not consent if—
  - (a) a question arises, in a proceeding in the court, whether the occupier consented to the authorised person entering the premises under this part; and

- (c) it is not proved that the occupier consented to the entry.

## **25 General powers on entry to premises**

  - (e) require the occupier, or anyone else at the premises, to give the authorised person copies of documents produced under paragraph (d) that are reasonably necessary to exercise a function under this Act;
  - (f) require the occupier, or anyone else at the premises, to give the authorised person reasonable help to exercise a power under this part.

*Note* The [Legislation Act](#), s 170 and s 171 deal with the application of the privilege against self-incrimination and client legal privilege.

  - (b) a person who supplies or manufactures plastic products in the ACT.
- (2) A person must take reasonable steps to comply with a requirement made of the person under this section.

Maximum penalty: 50 penalty units.

**27 Abrogation of privilege against self-incrimination**

- (1) A person is not excused from answering a question or providing information or a document under this part on the ground that the answer to the question, or the information or document, may tend to incriminate the person or expose the person to a penalty.
- (2) However, any information, document or thing obtained, directly or indirectly, because of the giving of the answer or the production of the document is not admissible in evidence against the person in a civil or criminal proceeding, other than a proceeding for an offence arising out of the false or misleading nature of the answer, information or document.

**28 Warning to be given**

- (1) Before requiring a person to comply with a requirement under section 25 (1) (d) or (e) or section 26, an authorised person must warn the person—
  - (a) that failure to comply constitutes an offence; and

- (b) about the effect of section 27.
- (2) It is not an offence for an individual to refuse to answer a question put by an authorised person or provide information or a document to an authorised person under section 25 (1) (d) or (e) or section 26 on the ground that the question, information or document might tend to incriminate the individual, unless the individual was first given the warning in subsection (1) (b).
- (3) Nothing in this section prevents an authorised person from obtaining and using evidence given to the authorised person voluntarily by any person.

## **29 Power to seize things**

- (2) An authorised person who enters premises under a warrant under this part may seize anything at the premises that the authorised person is authorised to seize under the warrant.
- (3) An authorised person who enters premises under this part (whether with the occupier's consent, under a warrant or otherwise) may seize anything at the premises if satisfied on reasonable grounds that—
  - (a) the thing is connected with an offence against this Act; and
  - (b) the seizure is necessary to prevent the thing from being—
    - (i) concealed, lost or destroyed; or
    - (ii) used to commit, continue or repeat the offence.

- (4) Having seized a thing, an authorised person may—
  - (a) remove the thing from the premises where it was seized (the *place of seizure*) to another place; or
  - (b) leave the thing at the place of seizure but restrict access to it.
- (5) A person commits an offence if—
  - (a) the person interferes with a seized thing, or anything containing a seized thing, to which access has been restricted under subsection (4); and
  - (b) the person does not have an authorised person's approval to interfere with the thing.

Maximum penalty: 50 penalty units.

- (6) An offence against subsection (5) is a strict liability offence.

### **30 Direction to give name and address**

  - (a) has committed, is committing or is about to commit an offence against this Act; or
  - (b) may be able to assist in the investigation of an offence against this Act.

*Note* A reference to an Act includes a reference to the statutory instruments made or in force under the Act, including any regulation (see [Legislation Act](#), s 104).

- (2) The authorised person may direct the person to give the authorised person, immediately, either of the following personal details:
  - (a) the person's full name;

(b) the person's home address.

*Note* The authorised person must first show the person the authorised person's identity card (see s 21).

- (3) If the authorised person believes on reasonable grounds that a personal detail given by a person in response to a name and address direction is false or misleading, the authorised person may direct the person to produce evidence, immediately, of the correctness of the detail.
- (4) If an authorised person gives a direction to a person, the authorised person must tell the person that it is an offence if the person fails to comply with the direction.
- (5) If an authorised person gives a direction to a person, the authorised person must give the direction in a language, or in a way of communicating, that the authorised person believes on reasonable grounds the person is likely to understand.

**31 Offence—fail to comply with direction to give name and address**

- (1) A person commits an offence if the person fails to comply with a direction under section 30.

Maximum penalty: 5 penalty units.

*Note* It is an offence to make a false or misleading statement or give false or misleading information (see [Criminal Code](#), pt 3.4).

- (2) An offence against this section is a strict liability offence.
- (3) This section does not apply to a person if the authorised person, before giving the direction, did not—
  - (a) produce the authorised person's identity card for inspection by the person; or

- (b) warn the person that failure to comply with the direction is an offence.
- (4) Also, for a direction under section 30 (3), this section does not apply if the person produces evidence of the correctness of the detail not more than 3 days after the day the direction was given.

*Note* The defendant has an evidential burden in relation to the matters mentioned in s (3) and s (4) (see [Criminal Code](#), s 58).

## **Division 6.3 Search warrants**

### **32 Warrants generally**

- (1) An authorised person may apply to a magistrate for a warrant to enter premises.
- (2) The application must—
  - (a) be sworn; and
  - (b) state the grounds on which the warrant is sought.
- (3) The magistrate may refuse to consider the application until the authorised person gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires.
- (4) The magistrate may issue a warrant only if satisfied there are reasonable grounds for suspecting—
  - (a) there is a particular thing or activity connected with an offence against this Act; and
  - (b) the thing or activity—
    - (i) is, or is being engaged in, at the premises; or
