Statement of registerable interests

Particulars of my private interests and those of my immediate family of which I am aware are set out below.

In accordance with continuing resolution 6, I undertake to provide any alteration to these declarations within 60 days of that alternation occurring.

Name: Michelle Gendler

Date: 8/12/2023

It is suggested that the *Explanatory Notes* accompanying each section be read before completing.

Explanatory note

The purpose of the Statement of Registrable Interests form is to place on the public record Members' interests which may conflict, or may be seen to conflict, with their public duty.

No form can cover all possible circumstances and Members should consequently bear in mind the purpose and spirit of the return in deciding which matters should be registered.

There is the need to include under all headings interests to the extent to which the Member is aware of them, of the Member's spouse (including de facto spouse), and any who are wholly or mainly dependent on the Member for support.

When interests are held jointly with a spouse or dependants, the interests need to be included only as interests of the Member with an appropriate notation such as "jointly owned with spouse".

Where interests could be included under more than one heading, it is suggested they need be included only under the most specific heading unless two aspects need to be disclosed (e.g. real estate, plus a mortgage liability on that real estate).

Note: MLAs may have other reporting requirements through the *Electoral Act 1992*. This is separate from the OLA declaration.

Declaration of Member's Private Interests

Introductory Notes:

The *Code of Conduct for all Members of the Legislative Assembly of the Australian Capital Territory* set out in Continuing Resolution 5 requires that Members:

“Actively seek to avoid or prevent any conflict of interest, or the perception of such a conflict, arising between their duties as a Member and their personal affairs and interests, take all reasonable steps to resolve any such conflict or perception of a conflict that does arise, and:

- (a) comply with section 15 of the *Australian Capital Territory (Self-Government) Act 1988* (Cth);
- (b) declare their private interests and those of their immediate family and ensure that their declaration is kept up to date, as required by Continuing Resolution 6 (as amended or replaced from time to time); and
- (c) disclose at a time and in a manner appropriate to the circumstances any financial or non-financial interest that they may hold, or which they may be reasonably perceived to hold (other than as a member of the public or of a broad class of persons) and any friendship, relationship or other circumstance which a reasonable observer, informed of that matter, might perceive as giving rise to a conflict of interest with the performance of the Member's duty as a Member. “

This form must be completed and lodged with the Clerk of the Assembly:

- by a re-elected Member—within 28 days of the date of the declaration of the outcome of the election at which they are re-elected; and
- by a newly-elected Member or a former Member who was not a Member during the immediately preceding Assembly—within 28 days of being sworn in as a Member.

Amendments to this form must be completed and lodged with the Clerk of the Assembly within 28 days of any change in interests which necessitates amendment of previously declared interests.

Completion of this form and keeping it up to date will satisfy the requirements of Continuing Resolution 6 for “declaration of the private interests of themselves and their immediate family”.

However, Members should be aware that completing this form provides only the minimum action required of a Member. Circumstances may arise where action beyond mere disclosure of an interest is required in order to comply with the Code of Conduct. *For example*, in order to comply with the Code requirement to avoid or resolve a conflict of interest or the perception of a conflict, it may also be necessary for a Member to stand aside from Assembly consideration or government decision-making affecting or potentially affecting a declared interest.

Members should also be aware that the minimum disclosure required by this form may be insufficient disclosure. Circumstances may arise where it may be necessary for a Member to make additional disclosures of their interests or those of other persons even where not required by this form. *For example*, disclosure (and possibly other action) may be required in relation to:

- a personal relationship, whether or not intimate or close, with a person who is not the Member's de facto spouse;
- the interests of a family member such as a parent, sibling or grandchild who is not part of the Member's "immediate family" for the purposes of this form;
- a financial interest or relationship that is not a shareholding, partnership, ownership or income interest required to be declared in this form; or
- more specifically identifying an interest declared in this form, such as the precise address of a property the value of which could be affected by Assembly or government town-planning decisions.

In this form, "immediate family" means:

- a person to whom the Member is legally married, even if separated (referred to in this form as a "spouse");
- a person with whom the Member lives in a marriage-like de facto relationship (referred to in this form as a "partner"); and
- a natural, adopted or step child who is wholly or principally dependent on the Member or their spouse or partner, regardless of the age of the child.

It is not necessary to name the members of your immediate family. Where multiple persons need to be referred to within a category listed in the form, identifying terminology such as "Spouse" and "Partner" or "Child 1", "Child 2" etc. may be used. Where you do not have family in a particular category, you may enter "N/A".

You must provide in respect of the interests of your immediate family details that are known to you or that you can ascertain by reasonable inquiry. If a member of your immediate family refuses or fails to provide information not otherwise known to you at your request, you should enter the annotation "information not known and declined".

In completing this form, an interest may need to be declared under more than one category. *For example*:

- ownership of an investment property may need to be declared under "Real Estate" and rent earned from that property may also need to be declared under "Other Income"; or
- engaging in legal practice may need to be declared under both "Other Income" and "Membership" of a professional organisation.

If the space provided on this form is insufficient to record all required detail, additional pages should be added.

Advice in relation to completion of this form may be sought from either the Clerk of the Assembly or the Assembly's Ethics and Integrity Adviser.
