Dear Chair *Jo*

I am writing to provide you with a response to the question asked by the Standing Committee on Planning, Transport and City Services in relation to Draft Variation No. 364 (DV364) – Gungahlin Town Centre: Amendments to the Gungahlin precinct map and code, which is currently under inquiry by the Standing Committee.

The blocks in DV364 Precinct 2a, identified in the map at Attachment A, are blocks that are yet to be released for sale. To be available for sale, blocks must be released by the ACT Government, in accordance with the Indicative Land Release Program. There are no specific release dates for the blocks identified at Attachment A.

Thank you for your question, I hope this is of assistance.

Yours sincerely

  
Mick Gentleman MLA
