## PRIVATE MEMBERS' BUSINESS

### Notices

- \*1 **MR HANSON:** To move—That this Assembly:
- (1) notes that:
    - (a) for several years, critical staff shortages in the ACT school system have been noted by teachers, parents and the Australian Education Union;
    - (b) in 2020, ACT Labor promised 400 new teachers to address the shortage, which had reached critical levels;
    - (c) the Productivity Commission Report on Government Services shows the ACT Government has, in fact, cut real expenditure per full-time equivalent student in public schools by 3.3 percent during the period 2010-11 to 2019-20;
    - (d) recent incidents of violence, bullying and assault, which have led to at least one school being closed by Worksafe ACT and others investigated, have been reported as being “a direct result of the teacher shortage”; and
    - (e) despite repeated questioning, the Minister has been unwilling or unable to provide adequate or complete information on the current situation in the ACT or to clearly identify a plan to recruit and retain the teachers needed to address the crisis; and

- (2) calls on the ACT Government to:
- (a) provide to the Assembly and the community a detailed, comprehensive report that includes:
    - (i) the total number of full-time teachers required in the ACT to meet current needs, and projected future needs up to 2028;
    - (ii) the number of full-time teachers actually in the current system, and how that compares to the required number up to 2028;
    - (iii) how many teachers have left the ACT system, and how that number affects the net number of teachers currently in the system; and
    - (iv) the total of actual recruited teachers in the current year, and how that affects the net number of teachers in the system; and
  - (b) provide a clear plan, with costings and delivery dates, to recruit and retain the teachers to address the crisis in teachers in the ACT, and provide that plan to the Assembly by the first sitting of 2023. (*Notice given 31 May 2022. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

\*2 **DR PATERSON:** To move—That this Assembly:

- (1) notes that:
- (a) Australia has one of the biggest gambling markets in the world per capita – from poker machines to online gambling (including sports betting and horse racing);
  - (b) while the ACT Government has an extensive reform initiative to address harm from poker machines, it has limited levers to address the issue of online gambling and television advertising;
  - (c) the regulation of online gambling and television advertising (including sports betting, special events and horse racing) is the responsibility of the Commonwealth;
  - (d) the majority of online gambling companies are registered in the Northern Territory;
  - (e) the ACT Government is working with the Commonwealth and state and territory governments to provide a harmonised approach to the regulation of online gambling through the National Consumer Protection Framework for Online Wagering;
  - (f) to provide a fairer taxation regime based on the location of the consumer rather than the location of the operator, most Australian states have implemented a point of consumption tax;
  - (g) in 2019, the Betting Operations Tax was introduced in the ACT. This is a 15 percent point of consumption tax payable by all betting operators in the ACT;

- (h) in 2019, 7.7 percent of the ACT's adult population bet on sports and special events within 12 months. Of those people, 38.5 percent were classified as at-risk gamblers, of which 3.2 percent were problem gamblers;
  - (i) the COVID pandemic lockdowns saw prolific advertising by the online gambling industry, with studies finding increases in online gambling and the numbers of Australians who opened a betting account during the pandemic;
  - (j) gambling has become a large part of sport in Australia, largely due to increased and normalised advertising that targets certain groups in the community; and
  - (k) more needs to be done to specifically address the harm that comes from online gambling in the ACT community; and
- (2) calls on the ACT Government to:
- (a) continue to work with and advocate to the Commonwealth and state and territory governments on the implementation of the National Consumer Protection Framework for Online Wagering;
  - (b) conduct a review of the online gambling and advertising market and the impacts of this on the ACT;
  - (c) investigate ACT revenue sources that can be used for harm minimisation activities for the ACT community that target online gambling;
  - (d) consider ways to raise community awareness (particularly targeting groups in the population susceptible to online gambling harm) around the risks of online gambling; and
  - (e) report back to the Assembly by December 2023. (*Notice given 30 May 2022. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A*).

\*3 **MR DAVIS:** To move—That this Assembly:

- (1) notes that:
- (a) the ACT Government has a housing debt of \$98.3 million owed to the Australian Government;
  - (b) this debt is from investments the Australian Government made into the ACT's housing portfolio prior to self-government;
  - (c) between the 2022-23 and 2024-25 financial years, the ACT Government will pay the Australian Government \$27.7 million (in principal and interest) to service these debts;
  - (d) other state and territory governments also have historical housing-related debts to the Australian Government from the Commonwealth-State Housing Agreement;
  - (e) South Australia has had some of this debt waived by the Australian Government;
  - (f) Tasmania has had all this debt waived by the Australian Government;

- (g) the ACT Government has been advocating to the Australian Government for our debt to be waived since 2019, with Senator Seselja, former Minister Sukkar and former Treasurer Frydenberg, acting on behalf of the former Coalition Government, having rejected, ignored, or delayed consideration of these multiple ACT requests;
  - (h) the ACT Greens went to the Federal election with a call to waive the ACT's historical housing-related debt;
  - (i) Senator Katy Gallagher has historically shown support for this debt to be waived; and
  - (j) incoming Senator David Pocock has also called for this debt to be waived;
- (2) further notes that:
- (a) the Parliamentary and Governing Agreement commits the ACT Government to delivering an additional 400 public housing dwellings by 2025;
  - (b) the Parliamentary and Governing Agreement also outlines the ACT Government's ambition to deliver 600 additional affordable housing dwellings by 2025-26;
  - (c) the Parliamentary and Governing Agreement also makes a range of other commitments to make housing more affordable and support people experiencing homelessness including:
    - (i) expanding specialist homelessness services;
    - (ii) constructing more build to rent affordable rentals;
    - (iii) providing additional funding for systemic advocacy in the housing sector; and
    - (iv) expanding the existing land tax exemption program for affordable housing;
  - (d) as of 7 March 2022, there are still 3,028 individuals and families waiting to be placed into social housing in the ACT;
  - (e) the average wait time for a social housing application assessed as high priority is 1,040 days; and
  - (f) the Chief Minister has already raised the housing debt waiver directly with the Prime Minister and Finance Minister since they assumed office last week;
- (3) acknowledges that the ACT Chief Minister and Government have publicly committed that savings from a debt waiver would be reinvested into new social and community housing;
- (4) requests that the Chief Minister continue to raise waiving the ACT's housing debts with the newly elected Federal Labor Government at all appropriate opportunities, to ensure the matter is dealt with as expeditiously as possible; and

- (5) as a follow-on action, calls on the ACT Government to:
  - (a) reconfirm that, in addition to existing financial commitments made by the ACT Government, it will invest into public housing all the principal and interest payments that no longer need to be made; and
  - (b) report back to the Assembly by the final sitting day of 2023 on the progress of these calls, including the total debt waived, the interest saved, and plans for public housing investments resulting from this motion. *(Notice given 26 May 2022. Notice will be removed from the Notice Paper unless called on within 4 sitting weeks – standing order 125A).*

\*4 **MS LEE:** To move—That this Assembly:

- (1) notes that:
  - (a) combustible cladding has been a pressing issue since the Grenfell Tower fire in London in June 2017;
  - (b) it has taken the ACT Government over five years to progress remediation works on government-owned buildings;
  - (c) despite the need for urgent action raised by many owners corporations and strata managers, the ACT Government has been slow in addressing the issue of combustible cladding in residential buildings in Canberra;
  - (d) due to inaction by the ACT Government, some owners corporations have been forced to take active steps to remove combustible cladding and commence remediation works;
  - (e) the ACT Government only announced some assistance for testing and assessment for residential buildings in July 2021;
  - (f) despite announcing a concessional loan scheme in April, no details have been finalised; and
  - (g) owners corporations need support and certainty from the ACT Government to remediate combustible cladding on residential buildings; and
