Ref: *Uncorrected Hansard Transcript* 21 July 2023 [Page 103]

In relation to:

Regarding the eating disorders residential treatment centre - where is construction up to today?

MR COCKS: Thank you. There have been statements on a number of occasions during this year that construction of the eating disorders centre is underway. This is in my electorate and constituents have told me that they are not seeing much happening. On what date did construction break ground and what is the status as of today?

MINISTER DAVIDSON: The answer to the Member's question is as follows: –

As of 28 July 2023, stripping of the topsoil is complete, and excavation is under way for the treatment centre and car park.
