In relation to: Mental health crisis support

1. How often does ACCESS Mental Health, PACER or the HAART Team provide a referral for someone to ISRP? Is this something that happens often or never?

MINISTER EMMA DAVIDSON: The answer to the Member's question is as follows:

1. PACER, HAART or the Access Mental Health Team have referred 24 consumers to an Integrated Service Response Program (ISRP) in the past three months.

Due to the small number of referrals from each service to an ISRP, it is not possible to provide any further breakdown without the risk of consumer identification.
