In relation to: Ministerials and land tax data-matching

MR CAIN: Has the ACT government received any complaints in relation to the data matching scheme?

Mr Salisbury: We have received a number of objections when assessments have been issued.

MR CAIN: I am talking about the complaints about the receipt of this letter, and I will be talking about this email, this exploratory email. Any complaints about that correspondence.

Mr Salisbury: I believe there have been a number of ministerials where assessments have been issued, and similarly, when people have received that email.

MR CAIN: How many ministerials?

Mr Salisbury: I do not know. I would have to check the record.

MR CAIN: Could you take that on notice?

Mr Salisbury: Sure.

Andrew Barr MLA: The answer to the Member's question is as follows:—

The Chief Minister's Office has received one phone call and one letter about the current land tax compliance program.
