Hearing Date: 5/8/2024

In relation to: Tuggeranong Residents transport

QON lodgement Date: 05/08/2024

Answer Due date: 8/8/2024

(1) Will the one bus service which has been part of Canberra's transport history through the route 333 , 300 services R4 -R5 from Tuggeranong to Belconnen be kept on when Light Rail gets to Woden or will passengers have to transition at Woden and Civic.

Mr Chris Steel MLA: The answer to the Member's question is as follows:

The ACT Government has made clear that there will still be rapid buses that run from the Southside directly into the city.

The ACT Government has not made a decision on the exact configuration of the future network which will be considered closer to when light rail stage 2B is scheduled to begin operations.

Feedback provided in the consultation with the community on the design of light rail stage 2 will also inform how future bus services might integrate with future light rail stops including connections with both local and rapid bus services.

Approved for circulation to the Select Committee on Estimates 2024-2025
