Answer to question on notice

Asked by: Ms Chiaka Barry MLA

Addressed to: Yvette Berry MLA, Minister for Education and Early Childhood

Reference: Infrastructure Canberra

Hearing: 17 February 2025

In relation to: Strathnairn School- Oval

Question received: 17 February 2025

Answer Due: 27 February 2025

Can you provide me a copy of the updated Strathnairn school plan, showing the proposed oval? If the plan is not yet updated, when do you anticipate the updated plan will be able to be provided? Will the proposed inclusion of an oval at the Strathnairn schools be subject to a community engagement process, to seek the views of Strathnairn residents who may send their children to that school? If so, can you provide the details of planned community consultations?

Yvette Berry MLA: The answer to the Member's question is as follows:

A plan showing the Strathnairn School oval is not currently available. This plan is currently being prepared as part of the broader landscape works and is anticipated to be available in April 2025.

Infrastructure Canberra, in partnership with the Education Directorate, is finalising a Communications and Engagement plan that will include community consultation on matters such as the school logo and design of school uniforms. While the school oval is not specifically identified for consultation, the project teams will make note of any comments that may arise during the planned community engagements.
