The MyWay+ inquiry report has recommended that the Auditor-General "consider examination of the MyWay+ project team's project documentation, as highlighted in the Projects Assured report."

Will you be responding to that recommendation, and if so, when can we expect to hear about what audit plans the ACT Audit Office has with regards to MyWay+?

The Audit Office notes the findings made in the MyWay+ inquiry report. The Audit Office has a full suite of performance audits currently underway. The Audit Office has, however, commenced planning for the *2026-27 Performance Audit Program* and the findings from this inquiry will be considered in the development of the program.
