MS CARRICK MLA: Minister, would you please provide the Consolidated Annual Financial Statements in a word document format. Thank you.

CHRIS STEEL MLA: The answer to the Member's question is as follows:

The Consolidated Annual Financial Statements are not prepared in a Microsoft Word document format and therefore cannot be provided this way. Information presented in the statements are developed through the Treasury Actual Reporting System.

The version of the Consolidated Annual Financial Statements that is certified by the Under Treasurer and Treasurer and audited by the ACT Audit Office, and which is available online, is the PDF version.
