MS CARRICK: No, no, I appreciate that. So I just wondered, well, you know, we get so many other—like, so many annual reports appeared. Anyway, so on page 72 I think it said something about buying some land at ANU. Did you buy some land at ANU?

Mr Steel: We might have to take that one on notice.

Mr Campbell: Yes, it relates to the CRA, I think. But yes, we can take that on notice.

Andrew Barr MLA: The answer to the Member's question is as follows:

No. I have been advised that there has been no acquisition of land from the Australian National University (ANU). The City Renewal Authority (CRA) sold a block of land to the ANU in a prior financial year and updated settlement details in its financial statements, page 151 of the [CRA 2024-25 annual report](#).
