Dear Ms [REDACTED]

Confirmation of surrender of provider approval
Section 38, Education and Care Services National Law (ACT) Act 2011 (National Law)

I refer to the notification received on 27 July 2022, advising of your decision to surrender the provider approval detailed below.

PROVIDER APPROVAL NAME	Spence Children's Cottage Association Inc
PROVIDER APPROVAL NUMBER	PR-00005866

I note that the surrender will take effect on 13 July 2022. I also note that you do not currently have any service approvals operating under this provider approval.

Unless you provide advice that you no longer wish to surrender your provider approval, the provider approval will be cancelled on the date the surrender takes effect. This means that, from that date, you will no longer be an approved provider and must not operate an education and care service.

Should you wish to operate an education and care service in the future, you will need to apply for a new provider approval and a new service approval for any service that is not already an approved service.

If you have any questions, please contact Children's Education and Care Assurance on (02) 6207 1114.

Yours sincerely

Jo Williams
