**ANSWER TO QUESTION ON NOTICE**  
**QON-035**

Mrs Giulia Jones MLA: To ask the Minister for Territory and Municipal Services

In relation to: Roadworks near the intersection of Streeton Drive and Cotter Road

When do you expect the work currently being undertaken on these roads to be complete?

**MR SHANE RATTENBURY MLA: The answer to the Member's question is as follows:-**

Portfolio responsibility for these road works falls under the Minister for Economic Development and accordingly the Economic Development Directorate has advised the following:

The intersection construction will be complete in mid August 2014. At this time the contractor will leave the site and the two intersections will be fully operational.

Due to cold temperature constraints the final asphalt course of the road pavement will not be placed until mid October 2014.

Approved for circulation to the Select Committee on Estimates 2014-2015
