Asked by MRS JONES on 17 June 2014 : The Treasurer took on notice the following question(s):

[Ref: Hansard Transcript [17.6.2014 PAGE 32]]

In relation to: ACTEW Organisational Restructure

MRS JONES: So just on a separate area then what is the financial impact of ACTEW's organisational shake up last year? Have there been savings made?

Mr Knox: I have to be honest it is a little bit difficult to comment on that because I just do not really have the history to it.

MRS JONES: All right who can?

Mr Barr: We will take it on notice.

Treasurer: The answer to the Member's question is as follows:-

ACTEW has advised that the changes effected in ACTEW's Executive and Senior Management organisational structure in the 2013 calendar year incurred one-off costs of \$2.9m. These changes are expected to net permanent ongoing savings of around \$2.6m per annum, commencing from the 2014-15 financial year.
