Re: I am an ACT resident, here is my submission to the inquiry

Dear Secretary,

Assisted suicide or voluntary euthanasia cannot possibly be defined as safe. Anything that results in a persons death is by its action unsafe. No political party or politician that supports legalises such action will ever get my vote, and I will actively campaign against those who support, promote, defend or legalise the very idea of helping people die. Former Territory Governments have attempted to do this but they were over ruled by Federal Legislation not long after. Furthermore I will also actively campaign in favour of those who oppose such legislation. It is imperative tat we value human life.

Sincerely,
Graeme Church
