To whom it may concern,

In response to the **Inquiry into Giralang shops**.

Being a resident of Giralang, and the mother of a child who attends Giralang Primary School, I find the long-term stagnation of the development at Giralang shops to be shameful. It is time for some attention to be paid to the Giralang suburb! Ways that it negatively affects us include:

- It is dangerous for the local kids who can get onto the site which has notably many hazards, including exposed metal and danger of falling.
- It is an eyesore for the neighborhood.
- it impacts on housing values in the area.
- It is space which is potentially productive and should be used to the benefit of Giralang.

I would love to see the area used to provide benefits to local residents such as a co-op shop to buy fresh local produce, a supermarket, a local café or as a lower preference, other service provision.

Regards,
Sarah.
