In relation to: Release of Executive Document under the *Territory Records Act 2002*

**MR BRADDOCK:** What proportion of cabinet records are actually released on average?

**Chris Steel MLA:** The answer to the Member's question is as follows: –

Of the 1710 Executive Document files identified as accessible on the Canberra Day Lists from 2018 to 2021 (covering the period of 13 March 2007 to 12 March 2011), requests have been received for 95 files. 92 of these requested Executive Document files were released. This equates to an average of 6% of accessible Executive Document files being released for that period and 97% of the requested Executive Document files being released.
