SELECT COMMITTEE ON ESTIMATES 2023-2024

Mr Mark Parton MLA (Chair), Ms Jo Clay MLA (Deputy Chair),
Mr Michael Pettersson MLA

ANSWER TO QUESTION ON NOTICE

Mr Peter Cain MLA : To ask the Treasurer

Hearing Date: 26/07/2023

In relation to: Budget and Other Grants

On page 238 of the Budget Outlook, Table 3.5.19, there is a line item called "Other Grants"; for each financial year from 2011-12 to 2026-27, please advise:

- (1) What is each of the grants, what is each grant's source, and what is the dollar value of each.
- (2) Have these grants in the forward estimates from 2023-24 to 2026-27 inclusive been secured? Please advise which grants have not been secured, if any.

Mr Andrew Barr MLA: The answer to the Member's question is as follows: –

'Other grants' include several components, with grant funding going directly to Canberra Health Services, the Justice and Community Safety Directorate, the Legal Aid Commission, and the ACT Health Directorate. These grants mainly relate to aged care, home and community care, highly specialised drugs and clinical trials grants.

There are also provisions made for Commonwealth Government infrastructure funding, consistent with existing and previous funding arrangements for current projects, and future infrastructure needs consistent with the Prime Minister's recent announcement of the National Capital Investment Framework.

It not possible to provide funding profiles for individual grants as provision of this information may compromise future negotiations.
