Dear Mr Cain

Thank you for your comments in Report 33 regarding retrospectivity in relation to *Remuneration Tribunal (Fees and Allowances of Members) Determination 2023* disallowable instrument (DI2023-206).

I note that the Committee requires an indication, usually in the explanatory statement, that the retrospectivity of an instrument is 'non-prejudicial'.

I confirm that the disallowable instrument including the retrospective commencement of increased remuneration paid to members of the Remuneration Tribunal is non-prejudicial.

The specific reference will be included in all future instruments as requested.

Yours sincerely

Andrew Barr MLA
