

Ms Nicole Lawder MLA
Chair
Select Committee on Estimates 2024-25

Dear Ms Lawder

Correction of Evidence re Legislative Assembly security

On 5 August 2024 the Office of the Legislative Assembly appeared before the Select Committee. Mr Cain, as a visiting member, asked about the security arrangements for the building out of work hours. The uncorrected proof transcript of the hearing includes the following exchange:

Mr Kinsella: Grant Kinsella, Manager of Security and Building Services. I acknowledge the privilege statement. We have a guard that patrols every day, seven days a week, between 11 and 12, and he also patrols within the building.

MR CAIN: 11 and 12—

Mr Kinsella: Pm.

MR CAIN: Just within that one-hour slot?

Mr Kinsella: That is correct. He does not do it ad hoc. It is just a set time every day for seven days a week.

MR CAIN: Every night?

Mr Kinsella: Every night, rather.

It has come to the Office's attention that this information is incorrect as there are two patrols conducted every night out of hours.

I draw this correction to the Select Committee's attention and apologise for the error.

Kind regards

Hamish Finlay
Deputy Clerk and Serjeant-at-Arms
